

# MERCEDES-BENZ SPRINTER AWD QUICK FACTS

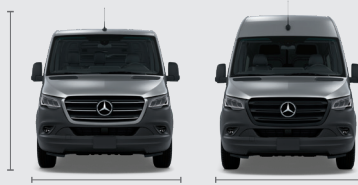

Navigate any tough terrain with a new all-wheel drive (AWD) system available on the Sprinter lineup. Backed with a powerful 4-cylinder diesel engine that improves noise and vibration comfort, along with increased towing capacity, it will feel like you're moving mountains - by simply driving across them.

**SPRINTER AWD** STARTING AT: **\$67,500\***

## CARGO & CREW VAN DIMENSIONS

**170" WB** 694.6 cm (273.5")

### NEW ALL-WHEEL DRIVE (AWD) SYSTEM

The all-wheel drive system provides better traction and stability, enhanced steering feel and driving behaviour, as well as lower noise emissions - all while no longer requiring the 4x4 button.

### STANDARD FEATURES INCLUDE:

- Mercedes me connect<sup>2</sup>
- Improved corrosion protection & drag
- Active Brake Assist<sup>3</sup>
- Multifunction steering wheel
- Heated & electrically adjustable exterior mirrors
- Cruise control
- Rear-view camera<sup>5</sup>
- Keyless start
- HOLD Function
- Steel wheels 6.5 J x 16
- Maturin Black Fabric
- An array of paint colours to choose from

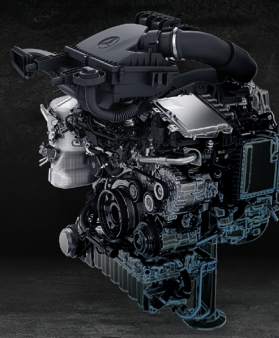

### OPTIONAL FEATURES INCLUDE:

- Digital Interior Mirror
- Downhill Speed Regulation
- Navigation
- SiriusXM<sup>®</sup> Satellite Radio
- Electric sliding doors
- Electric parking brake
- Mounting rails for roof rack
- Trailer hitch, 5,000 lbs<sup>1</sup>
- Light-alloy wheels 6.5 J x 16
- Luxury Interior Trim
- Black Leatherette Fabric

All measurements in centimetres/inches. All width measurements include mirrors.

# PERFORMANCE THAT DRIVES YOUR BUSINESS

ENGINE	CONFIGURATION	INDUCTION SYSTEM	BORE/STROKE	HORSEPOWER/RPM	TORQUE/RPM	TRANSMISSION
<b>2.0L 4-CYLINDER TURBO DIESEL</b> (HIGHER OUTPUT)	DOHC	Common-Rail-Direct-Injection (CDI)	82.0 mm / 92.0 mm	208 hp @ 3,800 rpm	332 lb-ft @ 1,400-2,400 rpm	9G-TRONIC Automatic Transmission

## SAFETY FEATURES

### DIGITAL INTERIOR MIRROR

See even more with a rear-view mirror that can switch to a digital view for safer reversing, giving you greater clarity when maneuvering spaces. Ideal for jobs that need a partition wall, without compromising your line of sight.

### ACTIVE DISTANCE ASSIST DISTRONIC®4

This intelligent cruise control system senses traffic conditions and actively controls your speed to keep you at a safe distance.

### 360° CAMERA<sup>5</sup>

This visual parking aid uses four digital cameras to generate various views of the vehicle's surroundings and shows them in real time on the multimedia display.

### BLIND SPOT ASSIST®

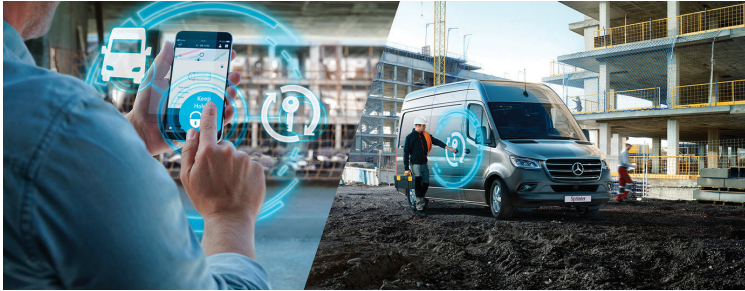

Using radar sensors to monitor approaching vehicles on multilane highways, this system can detect vehicles in your blind spot and alert you visually and audibly.

### DOWNHILL SPEED REGULATION

Find added support when driving downhill, off-road and on construction sites. Downhill Speed Regulation maintains a consistent speed downhill by applying the brakes as needed.

## ADVANCED CONNECTIVITY FOR YOUR SPRINTER

Available on 2023 or newer Sprinter models, *Mercedes me connect* (complimentary for 1 year) provides digital services, through the *Mercedes me connect* app, made to maximize efficiency and improve your daily business operations<sup>2</sup>. Also offered are Assistance & Support services to help you improve safety, maintain your van and more (complimentary for as long as your vehicle's technology is supported).

### REMOTE VEHICLE STATUS<sup>7</sup>

View the latest data from your van, including mileage, fuel level, tire pressure, and more, all remotely.

### MAINTENANCE MANAGEMENT<sup>9</sup>

Get reminders of upcoming service and book an appointment with your preferred service dealer.

### LIVE TRAFFIC INFORMATION<sup>8</sup>

Always find the quickest route to the job or delivery. View live traffic information and optimized route guidance on your van's navigation.

### SOFTWARE UPDATES<sup>10</sup>

Get the latest software installed over the air, so your van is optimized with the most current information from Mercedes-Benz.

## SERVICE & MAINTENANCE

We believe your van care should be as simple and flexible as possible. From extended warranty to pre-paid maintenance to all-inclusive service packages, our ServiceCARE plans are designed to let you focus on what's most important – your business. See how our ServiceCARE plans can help keep your van on the job at: [mbvans.ca/owners](http://mbvans.ca/owners).

## FINANCE SOLUTIONS

We make the hardest-working vans on the road. So it's no surprise that the professionals at Mercedes-Benz Financial Services work just as hard to find the right finance solution for you. If you're looking to lease or purchase, we offer a variety of products and solutions with flexible benefits and competitive rates tailored to your business. For more information, visit [mercedes-benz.ca/en/financial-services](http://mercedes-benz.ca/en/financial-services).

\*National MSRP pricing is shown and is intended for informational purposes only. Prices do not include taxes, levies, fees, freight and delivery charges, insurance and license fees, as well as any other products or services not listed that may be available to you through your selected Mercedes-Benz retailer. Vehicle prices subject to change without notice. Dealer may sell for less. These prices do not apply in provinces with total/all-in pricing requirements. Please contact your local retailer directly by phone or in person for exact pricing details and total prices applicable in those provinces.

\*\*Gasoline engine not available on all models.

1. Maximum permissible gross weight of the trailer, if the trailer is equipped with a separate functional braking system. Please make sure to comply with local trailer load regulations.

2. Available on 2023 or newer Sprinter models. Contact an authorized Mercedes-Benz Vans dealership for more information.

3. Active Brake Assist may not be sufficient to avoid an accident. It does not react to certain stationary objects, nor recognize or predict the curvature and/or lane layout of the road or every movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. See Operator's Manual for system's operating speeds and additional information and warnings.

4. Active Distance Assist DISTRONIC® is no substitute for active driving involvement. It does not adapt cruising speed in response to stationary objects, nor does it predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. See Operator's Manual for system's operating speeds and additional information and warnings.

5. Rear-view camera does not audibly notify driver of nearby objects and is not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions, and the presence of dirt, ice, or snow on the camera.

6. Blind Spot Assist is a warning system and may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It should not be used as a sole substitute for driver awareness and checking of surrounding traffic conditions. See Operator's Manual for system's operating speeds and additional information and warnings.

7. Included in the Mercedes me app.

8. Requires Navigation, which is optional on some models.

9. In order for us to offer you the service Maintenance Management, data is transferred from the vehicle to Mercedes-Benz AG. This data includes the vehicle identification number, mileage, service code (A or B), as well as remaining time and mileage until the next service is due and information on the brake system and coolant.

10. A visit to the dealership may be required in certain cases.
