- Tire pressure monitors

**Specifics**
- All measurements in cm (in) unless otherwise specified.
- No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seatbelt. Visit TheSprinter.ca for details.
- Some specifications and features shown or mentioned in this flyer are optional and only available upon request at extra cost. Specifications are subject to change without notice. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in consistent with conditions. Best performance in snow is obtained with winter tires. Read Operator’s Manual before towing.
